Stock & Wire Transfer Gifts

Donating stock or mutual funds is a tax-wise approach for helping to ensure that TLC can continue to transform lives ... one life at a time.

Important facts to remember:

- We encourage you to consult your financial planner or tax advisor who can assist you in evaluating the tax advantages available to you when making a donation of appreciated securities.
- Transformation Life Center prefers to receive undesignated gifts, allowing for the greatest flexibility in responding to evolving needs and priorities, but will also accept gifts designated to a specific purpose.
