

Richard Bryant - Student of the month February - March

Hi my name is Richard Bryant I am 49 years old and I have been addicted to crack cocaine for the past 30 years. I have been in and out of rehab programs trying to get my life on track in secular programs. with no avail. I kept going back to drugs. I kept using drugs to fill a hole in my heart. so I found a program that offers something that fills that hole in my heart. His name is Jesus Christ. Since being here at Transformation Life Center (TLC) I've heard how to control my cravings, attitude, and I'm a happy man now. With no more depression. I am no longer a person who no one wants to be around, everyone in my life now wants to be around me and stay in communication with me. Jesus has restored those broken relationships into healthy relationships. I am amazed how Jesus is working in my life since I have surrendered my life to Him and have been walking in obedience with Him. Im also working towards furthering my education at school. I have committed to stay at TLC for at least a year! Im so happy to have a place here to work on myself everyday being transformed and molded into the man God wants me to be. I've come along way and im sticking to the good things God has me to do.

I am a person who loves to serve. I serve every chance I get. I love to go down to New Jersey to serve the homeless and the needy on Mondays to tell them that Jesus loves them. And to preach and speak into their lives. I love to do that because their were people in my life when I was on the streets who did that for me... so im giving back to the community. And I want to say if there is anyone out there struggling. Its not to late. Jesus loves you and he wants a relationship with you. Call TLC if you need any help or anyone to talk too. We are praying. And we need prayer as well. TLC gave me a place to get that relationship with God. it really saved my life. and god turned my life around. I am an ambassador for Christ. I am a Son of God.
