## *The Dawn of a New Season For TLC*

In May last year, Bob Ivins was invited to return to TLC as staff. Bob has worked with and disciplined both men and women in recovery. For 10 years he was involved in the construction of churches in Russia as short-term missionary with SEND International. Recently retired after 23 years at Homes of Hope, Greenville, SC, he comes to us with 36 years of discipleship and trades teaching experience. Bob seemed the perfect candidate to launch and oversee our new vocational training program.

At the time of Bob's joining us, we were unaware that Guytrell Johnson would be moving on from TLC in 2022. Our prayers and best wishes go with Guytrell as he moves forward into what God has next for him.

As winter fades and spring emerges, a new season also dawns at TLC. Bob Ivins, who has been both director and assistant director of TLC in the past, has been positioned by God to be able to assume the role of director "for such a time as this". We have quickly come to love Bob and his wife, Robin. We are so excited for all they bring to our TLC family and look forward to how God will use them to move the TLC ministry forward.

*"I have enjoyed getting to know and work with Bob since January, and have to say that his trades knowledge and experience are second only to his love for, and knowledge of, God and His Word. Bob comes to us with, a passionate spirit, bold vision, and new growth opportunities. I look forward to how God will use him."*

Robert Abramson accepted Jesus as His Lord and Savior! His Messiah. He had this to say, "***This place has saved my life... quite literally!***"

After sharing some words of encouragement, we congratulated Tim on his one year graduation. We gathered around Tim and prayed that God would continue the good work He began in him.

*Transformation Life Center™ (TLC) is a long-term (6-18 months) residential faith-based, discipleship program for men 18+ who are seeking help to work through life controlling issues, such as drug and alcohol abuse. TLC is a registered non-profit organization located in West Park NY. The TLC Christian discipleship program is designed to give men new lives of hope and purpose. Addressing root issues and equipping the men with tools that will carry them far beyond TLC. In order to continue to function as a Christ centered program, we can neither ask for nor receive any government monies. The majority of students who come to us have no money or means of support. We look to God for our provision and He in turn moves the hearts of people like you to partner up with us in accomplishing what He is doing here at TLC. We are so very thankful for each and every one of you for allowing God to use you as a conduit for His love and mercy.*

Moving into spring, I cannot help but realize that even in the harshness of winter the beauty of God's creation is evident. No matter the time, no matter the place, no matter the circumstance, god's glory will shine through and His grace is more than sufficient for us.
